

## STEVEN C. SPICER

### Global Business Line Sales Manager- Electric Steering

---

Steve C. Spicer is the Global Business Line Sales Manager in Electric Steering for Nexteer Automotive. He is primarily responsible for developing and maintaining a ten year sales plan for Nexteer Electric Steering, developing and approving commercial proposals, and supporting the Nexteer global sales force to expand the Electrical Steering business over the next 5 years.

Spicer began his career with General Motors in 1980 as a GM Scholar student and was then hired into GM Saginaw Steering Gear in 1983. Spicer also continued his education by participating in the GM Fellowship program from 1986 through 1988.

Throughout his 30 years with General Motors, Delphi Steering, and Nexteer, Spicer has worked in many different assignments including Manufacturing Engineering, Product Engineering, Customer Release Engineering at the GM Warren Tech Center, Delphi Mexico Tech Center, Technology Planning and Marketing.

Spicer earned a Bachelor's Degree in Mechanical Engineering from the University of Michigan in Ann Arbor and a Master's Degree in Business Administration from Carnegie Mellon University in Pittsburgh, Pennsylvania. Steve is a member of the St. Thomas Aquinas Catholic Church in Saginaw, Mich.
